**Note:** While accepting this agreement is necessary to view your eStatements, you must notify us if you want to set up. You can notify us in person at a credit union branch, over the phone (314.962.6363 or 1.800.719.6363 and say or press 6) or by clicking on the "Contact Us" form on our Web site.

### Online Statements (eStatements) Agreement:

By selecting "Accept," I agree to receive my periodic account statements online through your eStatement service. My eStatements will contain the same content as the paper version supplied by the credit union, which includes: account balances, transaction information, year-to-date interest, and error notification procedures. The choice (paper or eStatement) that is made each day of the month will be the only method used to deliver that month's statement. I should allow two (2) business days for eStatements to be effective.

By accepting this option, I understand that it is my responsibility to maintain proper equipment and software to view my eStatements. I will need the equipment mentioned in Section B of the [Online Agreement](#). I will need Adobe Acrobat Reader. I understand that if I do not have it, I may [click here to download it now](#).

By accepting this agreement, I understand that the credit union will send an e-mail to the address I specify in the User Agreement to advise me when my eStatement is available. I understand that my online statements will become available in the eStatement section of AccessPoint incrementally each month after I agree to the service (the first month, one; the second month, two, etc.). EStatements are available for 12 months. If I wish to retain them longer, I should save or download them sometime during the 12-month period. I understand that I have unlimited access to my online statements, and there are no special equipment requirements; my current printer is all I need.

I also understand there are no fees or account restrictions for using eStatements. Additionally, I have unlimited access to the eStatement section of AccessPoint during the 12 months of availability. If I request an additional paper copy from the credit union, a statement copy fee charged per your current Service Fee Schedule will apply.

I understand that I may withdraw my consent to receive online statements by contacting the credit union via the "Contact Us" form. I may call 314.962.6363 or 1.800.719.6363 and say or press 6, or write to: Member Services, Arsenal Credit Union, 378
